THE COUNTY BOARD.

The Business Transacted at the Regular Session

MAINLY OF A ROUTINE CHARACTER.

Contracts let Yesterday for Furnishing Coal and Medicine for the Coming Year—The Sheriff's Return and the Infirmary Superintendent's Report—Financial and Other Matters of the Month.

The regular meeting of the board of county commissioners was held yesterday, but little was done outside of the regular routine. Bills were ordered paid on recommendation of the various committees as follows:

Court house and jail.....\$ 697 45
Finance.....1,273 23
Poor house and farm.....757 24
Contingent fund.....857 23
Roads and bridges.....2,841 29

The sheriff returned county orders paid by him to the amount of \$17,051 45, and was ordered credited with that amount. The superintendent of the infirmary reported inmates of the institution in October, as follows:

White males 72; white females 18; colored males 2; colored females 2, a total of 94. There were two deaths in the month.

The board decided not to insure the boilers in the basement of the court house.

For furnishing medicine to the dependent poor north of the creek the contract was awarded to Will H. Hague, at his bid of \$80, and south of the creek to George H. Ebeling at \$83. Both are the old contractors.

The undertaking contract in the city was let to Frank Schroeder at \$4 50 for large and \$3 50 for small coffins; use of hearse \$4 50, hack \$3, buggy \$1 50. He was also the contractor last year. In the country district it was given to Thornburg Brothers at the same price as they received last year.

The coal contract north of the creek, including the Island and Fulton, was awarded to John P. Gilchrist at 5.20 cents a bushel for nut coal, 5.70 for mixed coal; south of the creek to P. Dougherty at 5 cents for nut, 6 for mixed coal.

Officer Gardner Finds a Slick Burglar at Work.

This morning at an early hour Officer Alex Gardner found a young man climbing up the side of the residence of Mr. A. J. Clarke, on North Main street. His objective point was evidently a window on the second floor, and he had almost reached it when he was "called down." The officer has been watching for burglars, as he had his suspicions aroused some time ago. He believes the man he caught is the one who operated east of the city not long ago. He gave his name as Hayes Miller. He was locked up to await a hearing to-day.

Officer McCausland ran in a plain drunk and Officer Knabe arrested a man for begging on the street.

The river is rising. Come to the Ferry Benefit, Tuesday.
